### Keywords

SAP MjnApps;Group; visibility;tile; application;not ;visible;missing

### Solution (public)

Logon to [1]SAP MijnApps :

Go to your me-area and choose "Edit Home page"

scroll to the relevant group e.g. "Human Resources " and click on : "reset" in the top right corner.

The following information message appears:

Click on "Reset".

The bicycle application re-appears.

Click Close.

### Symptom (public)

I do not see a certain tile or application in a certain group

### Problem (public)

It is possible that certain tiles / applications are not (no longer) visible in a certain group. E.g. in the group "Human Resources" the tile "Bicycle day Register" is missing.This is because the user possibly moved the tile to e.g. "My Home"
